Why have a 3D printer on site?

PTC Live
Global

Remove roadblocks to prototyping early and quickly iterating

- Cost
- Fear that you missed a detail and that design is not complete
- Perception of refinement level needed for prototype part
- Time to work with shop and waiting time

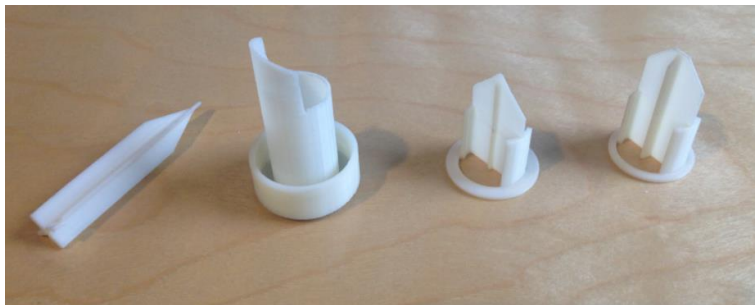

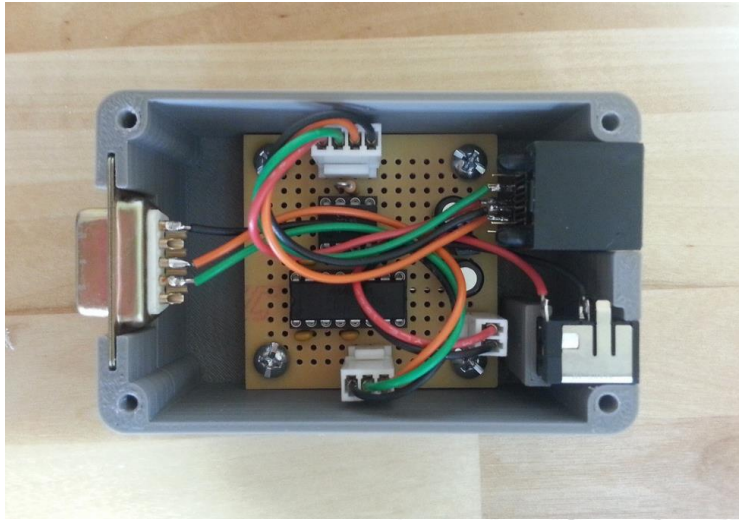

Benefits

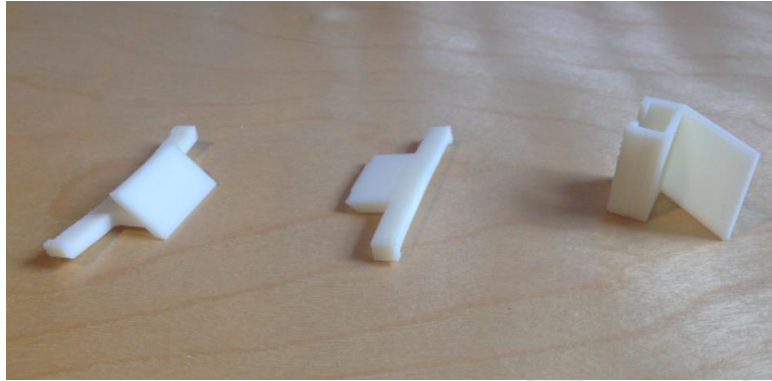

PTC Live
Global

- Early functional testing
- Usability feedback
- Assembly evaluation

- Time to ramp up and understand how to work with the printer
- Low cost printers do occasionally fail

- Your feedback is valuable
- Don't miss out on the chance to provide your feedback
- Gain a chance to win an instant prize!
- Complete your session evaluation now
