Verify catalogue

Catalogue Verify Results & Resolution

1) In Admin Tab Click "Verify Catalogue"
2) It will pop-up the "Results & Resolution" Dialogue box.
3) Under "Set of errors" Part , Checkout the "Item not in central catalog"
4) In the lower part you can find the symbols which are recently created.
5) Change the resolution as "Submit"
6) Click "OK"
7) It will show "Submit to Catalog" – Click "OK"
8) Your new symbol will be placed in the "Temporary Submission" Folder for Admin Review
9) After Review Admin will move the files to "Central Catalogue"
